• include other display items such as held and recode descriptions, title, and overall data description.
• Data input will have a minimum of 5 fields.

Assignment Requirements and Grading:

- This assignment is due by **Sunday, 11:59 p.m., CST.**
- Add the necessary documentation as described in [Documentation Requirements](#).
- Capture screenshots, combined in a single Word document demonstrating you have correctly installed and configured Java, Jakarta, and Eclipse. Include your name, date, and assignment number.
- Submit your project files by clicking on the Assignment Link above, then scroll down to the Upload Files section and click on Browse Local Files. Select your assignment file(s), add any links as appropriate, push your documents to your online repository, add the URL to your GitHub repository in the comments area, then click on Submit.
 - [your_last_name]-[module_number][course].zip
 - Example: darrell_mod_3_csd430.zip.
- This assignment is worth **50 Points**.
- To view or print the grading rubric for this assignment, click on the following link: [Programming Rubric](#)

Module 4

Once you have submitted your assessments, click here to move on to the next module.

Managing Tomcat

For security, access to the [manager webapp](#) is restricted. Users are defined in:
`$CATALINA_HOME/conf/tomcat-users.xml`
In Tomcat 10.1 access to the manager application is split between different users.

jobApplicationForm.jsp

```
webapp > jobApplicationForm.jsp > ...
1 <!--
2 File: jobApplicationForm.jsp
3 Course: CSD-430
4 Module: 3
5 Author: Kyle Klausen
6 Date: 01/20/26
7 Description:
8 This JSP file displays a job application form used to
9 collect user input. The form contains multiple input
10 types and a minimum of five data fields and submits
11 the data to a separate JSP file for display.

Job Application Form

Please complete all required fields below to apply for the open position.

Full Name:

Email Address:

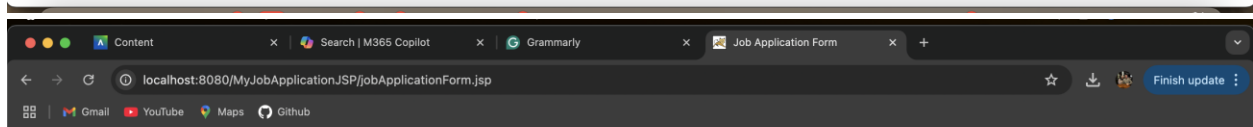

Phone Number:

Position Applied For:

Years of Experience:

Willing to Relocate: ☐ Yes ☐ No

Overall Description: This form collects basic job application data including personal information, position preference, experience level, and relocation availability. The data will be submitted to a separate JSP page for processing and display.

Job Application Form

Please complete all required fields below to apply for the open position.

Full Name:

Email Address:

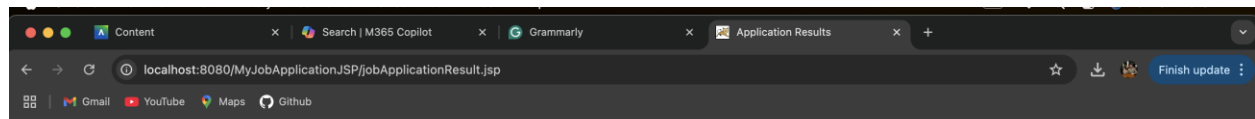

Phone Number:

Position Applied For:

Years of Experience:

Willing to Relocate: ☒ Yes ☐ No

Overall Description: This form collects basic job application data including personal information, position preference, experience level, and relocation availability. The data will be submitted to a separate JSP page for processing and display.

Submitted Job Application

The following table displays the information entered on the job application form.

Field	Entered Value
Full Name	Kyle Klausen
Email Address	kyle.klausen@gmail.com
Phone Number	8138749324
Position Applied For	Software Developer
Years of Experience	2
Willing to Relocate	Yes

Overall Description: This table displays all job application data submitted through the JSP form. The page demonstrates how user input can be collected, processed with JSP Scriptlets, and dynamically displayed in an HTML table.
